Why do you want to join mission school?

What are your expectations out of this experience?

What is your life vision or call from the Lord? (write in no more than 10 words)

What are you intended to do for at least one year after this mission school?

How will attending this school help you in your walk with God?

### Personal Commitment

I have completed all parts of this form, and if this application will be accepted in the Mission School, I pledge to follow in the spirit, laws and the ministry meetings scheduled and obey all those who are responsible for running the ministry.

I realize that this mission school is an intensive program, and I would place my focus, time, priorities around this program to learn and to grow my personal relationship with God. I realize that this Mission School depends on learning from lectures, everyday life experiences, group work and reflection paper. I pledge to commit to the spirit of the one team all the time during the Mission School. I understand that some or all of the ZOOM lectures will be recorded for future use and improvement of the courses.

I am 18 years of age or older:
